Benedetta Petrucci

GRAPHIC & WEB DESIGNER | UX/UI DESIGNER | JUNIOR PROJECT MANAGER

PROFILE

Graphic & Web Designer with 6+ years of experience across visual identity, digital communication, web content and project coordination. My background began in fashion, industrial and interior design and grew through creativity, storytelling and delivery. I am also the author of the YA romance From Crush to Love; writing and publishing the novel strengthened my ability to develop concepts, tone of voice and coherent narratives. I later completed start2impact's Master in UX/UI Design and AI Agents, adding user research, information architecture, wireframing, responsive UI, prototyping and usability testing to my toolkit. Today I combine visual design, web, UX/UI and project management to turn complex goals into clear, coherent and recognisable experiences.
